

Oasis Elementary South

Veterans Day Ceremony

Monday, November 9th
5:30pm-6:30 pm
in the OMS Gymnasium

OES students are encouraged to invite a Veteran (a family member or close family friend) as their special guest to participate in this event honoring our local veterans. We would also like to extend this invite to local first responders and family.

OES will also create a "Wall of Honor" to display in our school to celebrate our Veterans and soldiers who cannot be with us on this Veterans Day Celebration. For us to create our "Wall of Honor" please find the form that will be emailed to you by your child's teacher as well as in the Panther Press. Please turn it in by November 6th.
