NOTICE: Transportation of Students with Shared Custody

Dear Oasis Parents and Guardians,

We understand the complexities of shared residential custody. However, Oasis Charter Schools follows established policies and procedures. This means we cannot assign two, separate bus seats on two, different buses for your child. Therefore, please be mindful that it is the sole responsibility of parents to transport their children between shared homes.

Regrettably, it is unfortunate we cannot accommodate the various transportation wishes of parents living in separate homes and sharing residential custody of their children. However, you should know as much as we would like to do so, providing two bus seats for one student is not financially feasible, as costs quickly escalate because additional buses and personnel would be needed to support multiple routes.

Additionally, since many of our buses are full, we cannot reserve a seat part-time and possibly deprive a full-time rider. Consequently, each student is assigned a bus that coincides with their primary address on file.

Again, please know that while we sympathize and wish we could accommodate every request, providing two bus seats for one student is simply not possible. Thank you for your understanding and cooperation regarding our single household bus assignment policy.

Respectfully,
Tammy Daniels
