

Reopening School

What will the Oasis Home Learning Model look like?

Two Options

(These options may change, if the we are advised by the Florida Health Department, State of Florida or another agency to close face to face and will initiate full Distance Learning)

Full In-Person
Instruction

Oasis Home
Learning

What will the Oasis Home Learning Model Look Like?

Parents who are not comfortable having their student return to school, can elect to have their student use the virtual option.

Parents must complete a form prior to each quarter and students must remain in virtual for the duration of the quarter in which they registered. Chromebooks and chargers will be distributed to students, as needed, who are attending virtually.

Virtual instruction will be live - students need to be in each live meeting based on the times for their schedule.

What will the Oasis Home Learning Model Look Like?

Topics/Standards being taught will be consistent with students attending in person

Some lessons will have to be modified to adapt to the virtual platform.

Resource teachers will be utilized to help the classroom teacher manage the virtual platform.

The details of the "Live Virtual" components are being developed and will be shared prior to the start of the 2020-2021 school year. Details are also dependent on the number of students at each grade level who opt for this option.

Oasis Home Learning: Open House, & Extra Curriculars

Open House

Prior to school starting, each teacher will have a virtual Open House. Kindergarten may have a Hybrid Open House, which will be partially virtual and partially face to face, (with small groups meeting at a time).

Clubs and extracurricular activities will only be permitted in a virtual setting (this will be reevaluated after first semester)

Oasis Home Learning: Student Support

MTSS/504

Students will still receive MTSS support and 504 accommodations as needed.

Parent meetings will be held virtually.

Exceptional Student Education (ESE)

Teachers will follow IEPs, to the extent that they can via Virtual Instruction. The SLP and ESE teacher will reach out frequently with parents to ensure that students are receiving the strategies they need, as indicated by the IEP.

Oasis Home Learning: Classroom Protocols

During live instruction, students must have their camera on and microphones will be muted/unmuted as per the teacher directive.

Students will be attending virtual Specials classes.

Oasis Home Learning: Breakfast/Lunch

If a student is eligible for free/reduced lunch or would like to purchase a lunch for full price, is home for virtual instruction, and OES remains open for those receiving in-person instruction, the student may contact the school for a breakfast or lunch. These meals must be picked up at the front office during specified times.

Full In-Person: Transition to Full Distance Learning

If it is determined that school buildings cannot open safely and need to close, we will follow the full virtual model. Students already in Oasis Home Learning will continue with their schedule.

Communication

Staff and parents will be notified that schools are closed via Rediker/Parent Square and web site/Social Media posts

Full In-Person: Transition to Full In-Person Model

At the end of each quarter, parents will be surveyed to request their preferred model of instruction, (Full In-Person or Oasis Home Learning).

If a parent makes the choice for their student to transition from Oasis Home Learning, students may have a different teacher. Although efforts will be made to keep the child's teacher consistent, it will depend on the number of students electing a different option for learning.
